NEW VARIETIES

RAISED BY

C. H. HALL

Aliquippa (1924)—Good sized flower of pale massicot yellow with luminous center of deeper coloring. Fine, erect habit, vigorous growth, and very free flowering. Makes a most attractive light yellow garden effect. 34 inches. $2.50 each.

Chartier (1925)—A smooth, clear white with wide, flat segments. The flowers are rather large and of very pleasing appearance. 32 inches. $3.50 each.

Edgewood (1926)—S. light hortense violet, F. velvety pansy violet. A deep "pink" bicolor. Large flowers of excellent form, good substance and fine carriage. 45 inches. $5.00 each.

Elsinore (1925) Primrose yellow, the standards and falls more or less bordered with vernonia purple. A charming flower of delicate coloring. 34 inches. $3.50 each.

Lodestar (1925)—S. lemon chrome; F. velvety claret brown with lemon chrome border. The flowers are of ample size and fine finish with standards of remarkably clear color. 36 inches. $3.50 each.

Montour (1925)—S pinkish cinnamon, flushed with magenta; F. velvety burnt lake. An exquisite effect in pink and brown set with a dense orange beard. 30 inches. $4.00 each.

Priscilla (1923)—S. pallid violet; F. rich velvety blackish purple, bordered pallid violet. A dainty flower; its clear, pansy-like coloring showing up with as fine effect indoors as in the garden. 30 inches. $1.00 each.

Serenade (1927)—S. rose-purple; F. rose-purple to liseran purple. Good-sized flowers with broad circular segments. A light pink of desirable substance and fresh coloring. 30 inches. $5.00 each.

Woodland (1925)—A mauve to Chinese violet self. Broad-petaled flowers of great size and beautiful shape. Stout, erect stalks. wide foliage. vigorous and free blooming, 48 inches. $3.50 each.

Delivery by parcel post prepaid.
